

Farmers in the Strumica region

“Therefore we ought to support people like these, that we may be fellow workers for the truth.”

~ 3 John 1: 8 (ESV)

Dear Fellow Workers for the Truth, consider this your invitation to join me as I seek financial and prayer support for the ministry of spreading Truth in North Macedonia. This fall I will spend forty days visiting churches and individuals in the US to share about the work I do and connect with people who would like to be a part of this work. I’m calling it *“Forty days to fully-funded!”*

The amount of money it costs to keep a missionary on the field varies by placement and other factors. Thanks to the United Methodist Church’s commitment to missions, a significant portion of these costs are covered by yearly apportionments from churches; however, the General Board of Global Missions asks all of us missionaries to raise \$25,000 a year to help cover these costs.

During my itineration, I will be visiting the following churches:

- **Sunday, October 30** – Gaithersburg Church of the Nazarene in Gaithersburg, MD
- **Sunday, November 6th** – Rockville Church of the Nazarene in Rockville, MD
- **Saturday, November 12th** – St. John’s United Methodist Church in Buena Vista, VA (5 p.m.)
- **Sunday, November 13th** – Otterbein United Methodist Church in Harrisonburg, VA
- **Sunday, November 20th** – St. Luke’s United Methodist Church in North Chesterfield, VA
- **Sunday, December 4th** – Braddock St. United Methodist Church in Winchester, VA

If you cannot attend any of these events, don’t worry, you can attend my #StillInMission episode online, or better yet, set up an online

presentation with me for yourself, for your small group or for your church. This fall would be a great time to set up a virtual meeting and take advantage of my being on the east coast time zone. If you are interested in setting up a virtual meeting, please email me at jmoore@umcmmission.org.

- My #StillInMission Episode will be on **Thursday, November 3rd** at 12:00 p.m. Eastern Time. You can register for the event here: https://gbgm.zoom.us/meeting/register/tJlqdOusqjlqGdWMx-_l-T9m5_nRdzBw4os

I am very thankful to the Virginia Conference for opening their hearts to me and helping me organize this itineration. I cannot thank Ann Klotz enough for all her work contacting churches and arranging places for me to stay while itinerating. *Would you pray with me that this itineration would be successful and the churches I visit would be blessed?* I am looking to establish at least three new covenant relationships with churches and at least ten new individual monthly donors. If you would like to receive an email with a short prayer you can pray over me and the partner-raising process for 40 days, please email me privately.

Thank you for joining me on this journey so far and I hope you remember the promise of Paul from 1 Corinthians 15:58 that the work we do for the Lord, whatever it is, is not in vain!

In Him,

Jennifer Moore

They are finished!

One of the most important ways churches within the Wesleyan tradition spread the Truth is by providing quality children's Sunday School classes. When I began working with the Commission for Work with Children and Youth, it became apparent that our district desperately needed Sunday school materials for children in the Macedonian language. Some teachers were using decades old materials written in Serbian and others had obtained a few lessons from Samaritan's Purse, but most were doing their best to create a lesson from scratch each week. This spring the commission partnered with Child Evangelism Fellowship (CEF) to acquire the materials CEF had already translated. Our teachers underwent training and the commission set about printing, laminating, buying supplies for and organizing 22 units of lessons including Genesis, The life of Jesus, Teach us to pray, and Hudson Taylor. We are happy to announce that our teachers will now have teacher books, illustrations, worksheets and games for over two years' worth of lessons. We know this will alleviate a lot of their stress and be a blessing for them. We look forward to seeing how the children respond and the impact it makes on them as well.

22 bags containing one unit of children's curriculum each
