## It's Giving Tuesday!

**Giving Tuesday is an opportunity to reflect on our thankfulness to God for the many blessings He has given us and discover ways we can extend a blessing to others from around the world.** Your prayers and donations can make a difference in areas such as hunger, water and sanitation, health, migration, evangelism, church growth, education, community development, and more. The Advance program of the UMC has more than 300

missionaries and 600 projects you can explore with confidence that 100% of your donation will go to the missionary or project of your choice. Simply click [here](#) to get started. If you would like help with making an online donation to [my account](#) or any [Advance project](#), please do not hesitate to contact me and I can call you or video chat with you and walk you through the process.

## Blessed by generous giving

I am extremely thankful for the generosity of my covenant partners and others who make it possible for me to serve the people of North Macedonia. I currently have one covenant district, three covenant churches, two United Women of Faith groups, one Sunday School class and twelve individuals who support me financially on a regular basis. Along with their faithful support, I have received one-time donations from an additional five churches, two UWF groups, and four individuals this year bringing my total support to \$18,856. I am very thankful to be so close to reaching my annual Global Ministries fundraising goal of \$25,000. Thank you to everyone who has contributed!! Please pray that I can continue to build partnerships and supporters so I can reach, and someday surpass this goal. And, as I mentioned above, if you have any questions about how to donate or how the Advance works, please do not hesitate to reach out to me. God bless!
